TERMS & CONDITIONS - Newborn Cloth Diaper Rental Program

1. The diapers and covers in the Newborn Rental Program have been used by other babies during this program. The diapers and covers are rotated out of the program after approximately six months.
2. The Kit Contents will be given to you clean and sanitized at the start date of your rental period. It is expected that the items be returned to us clean and dry as per included washing instructions.
3. The diapers will be provided to you with the intent of providing you with the opportunity to trial cloth diapering during your baby's newborn period. Your Newborn Rental Kit will be rented to you for a period of 8 weeks.
4. You must have a smoke free home to participate in this program. If anyone smokes in your home, including outdoor smokers, **you are not eligible** for this program.
5. You will be provided with specific use and care (storage and washing) instructions for the diapers and covers as well as laundry detergent. It is imperative that you **follow these instructions** and **use the detergent provided** to wash the diapers.
6. Failure to follow the directions may compromise the diaper fabric and/or integrity of the diaper. If a diaper is lost or damaged (broken fasteners, rips in the fabrics or stains on the fabric that are permanent), **you will be responsible for replacing the item at the retail cost plus applicable taxes.**
7. When your Rental Weeks are complete, the entire kit must be returned to New & Green Baby Co. clean and dry as per washing instructions. Please ensure that no hair (human or pet) is caught up in any of the Velcro fasteners. They will be inspected for damages.
8. One week prior to your rental **you will be invoiced for a deposit for your kit, equal to \$250.** When your kit is returned in good standing at the end of your rental term, your refund will be issued. Please allow up to 2 business days following your kit return for your deposit return to be processed.
9. Your kit must be returned on time; there will be a \$30 late fee charged against your deposit if your kit is returned late.
